

HEY, JUNIOR SAVERS!

CHECK OUT THESE FUN ACTIVITIES!

A MESSAGE FROM BUCK:

It's a winter wonderland outside! With the chill in the air and the snow on the ground, winter is in full swing. So, pack up your mittens for some cold weather fun, like ice skating, sledding, and drinking cocoa. Whatever you love to do, it's always a great time to be learn, grow, and visit your friends at the bank! Thanks for being a Junior Saver, and please join us for money-minded events all season long.

ACCOUNT BALANCE :

the amount of your money the bank is holding for you. Its like the “=” amount in a math problem.

Let's look at an example: If you start with \$10 and deposit (or add) \$2, your account balance is now \$12. If you were to withdraw (or take out) \$2, your balance would become \$8 (because $\$10 - \$2 = \$8$).
